DEDICATION

There have been many changes made at Ball High School during the 1970 school year. The man supervising these changes is Mr. Richard Streiff, our principal.

He is a fair man and immensely popular with the student body. His presence at assemblies is constantly welcomed by deafening applause and standing ovations.

Mr. Streiff is the type of person capable of seeing both points of view in all cases, and making decisions fairly. All of his work is closely correlated with the school administration, and he stresses to students the importance of following the rules.

For these reasons, the staff of the 1970 Purple Quill of Ball High School dedicates this yearbook to our principal . . .

. . . MR. RICHARD STREIFF

INTRODUCTION

Where do we go from here? No one's future is certain. Each day every student is confronted with new challenges that will determine his future, whether it be college, pursuit of a career, or marriage.

The students of Ball High met many new challenges this year. The year began with a new principal, a new superintendent, and most important, a more unified student body. Many giant steps were reached – a new schedule of classes; a more lenient dress code and a better student-teacher relationship.

The idea of "Where do we go from here?" is represented through the 1970 Purple Quill by the symbol of a tornado, in the form of a question mark.

Through the 1970 Purple Quill we have shown you where you went during the 1969-1970 school year with the hope that you will be able to find your way through the future.

A high-contrast, black and white graphic illustration. The upper portion of the image shows a stylized profile of a person's head and shoulders. The person is wearing a dark cap and a jacket with a prominent, swirling, organic pattern. Across the face, the word 'CASSI' is written in a bold, blocky, sans-serif font. The 'C' is on the forehead, the 'A' is on the cheek, the 'S' is on the chin, and the 'I' is on the neck. The lower portion of the image is a dark, textured area that looks like a ground or a base, with some small, scattered white shapes.

Well, you've got me cornered again Richard!

Even Mighty Mouse needs time out to think.

What do you mean I have plucked away your character?

Do I need my library card to check this one out?

If you wear that mini-skirt one more time, Tom . . .

That's the best carrot I've ever eaten.

Well you see ma'am, it happened this way . . .

Why don't you sit over there?

Wow! That Tornette posture.

I'll have to stop using that Hai-Karate.

Now do I have sex appeal?

Are you sure this isn't good enough to eat?

Another one of Mr. Streiff's assemblies.

Can anybody find my contact?

Ready or not – here I come!

I'm the good witch of the South.

We've got the sexiest cheerleaders!

I didn't know about senior skip day!

What do you mean it's a rotten speech?

Yech! Straight Coca-Cola.

Try Hanes Hose – they stretch.

Every time you come to this barber you have to wait.

Way down upon the Swancee River!!!

Would you believe Rosalind???

Too much spaghetti? Me too, Greg.

This bed sure saw a lot of action.

This is gonna be the biggest dress you ever saw.

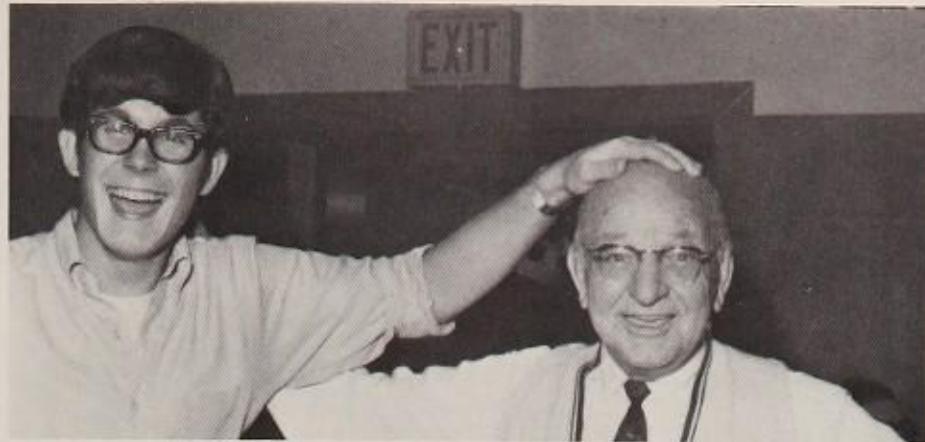

Now for the toss-up! Who was the fattest President of the U.S.?

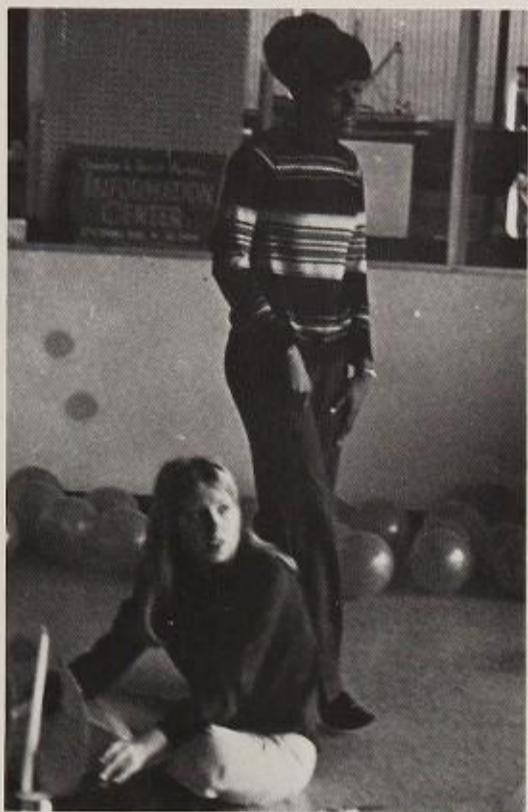

I feel like a polka dot!

Well, it looks like I covered it pretty well!

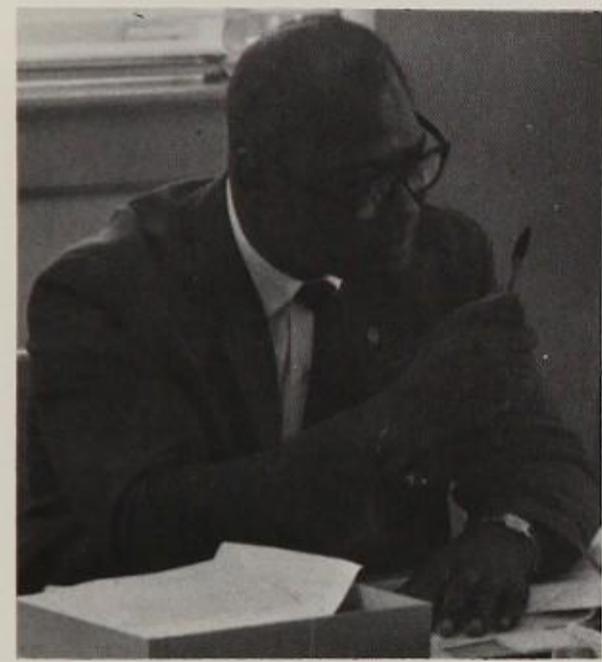

Hey, what do you know! Archie still uses that greasy kid's stuff!!!

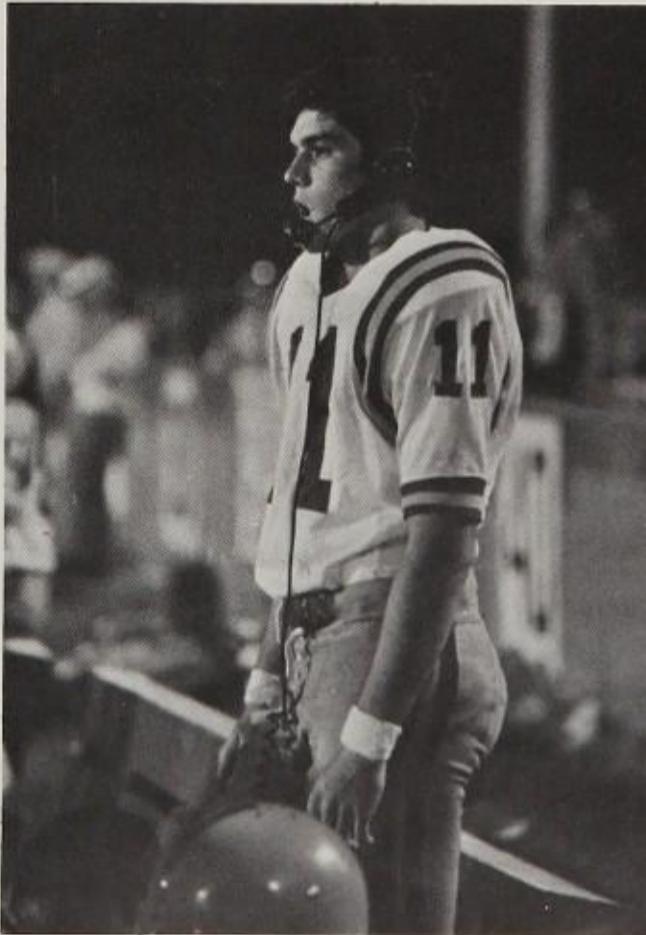

It's sure gonna take more than a white tornado
to get this place clean?

Too much grog, huh Mike???

I tell you I caught 78 Whiting in about an hour and a half.

Make that two cheeseburgers, one Jack cola, and a taco.

I'm telling you he had on a red hat and suit!!!

Is this a good step for the Variety show?

Who let Brazospoort in?

It doesn't do a thing for you.

Am I early or is every one else late?

You have to have a dirty mind to laugh at these jokes!!!

Sex in the halls!!!

I've had this funny feeling ever since lunch was over.

It was easy . . . I just walked off the edge!

Well, I had a choice of a clown or Tinkerbell.

What's in dat cup "Baptist" Jack?

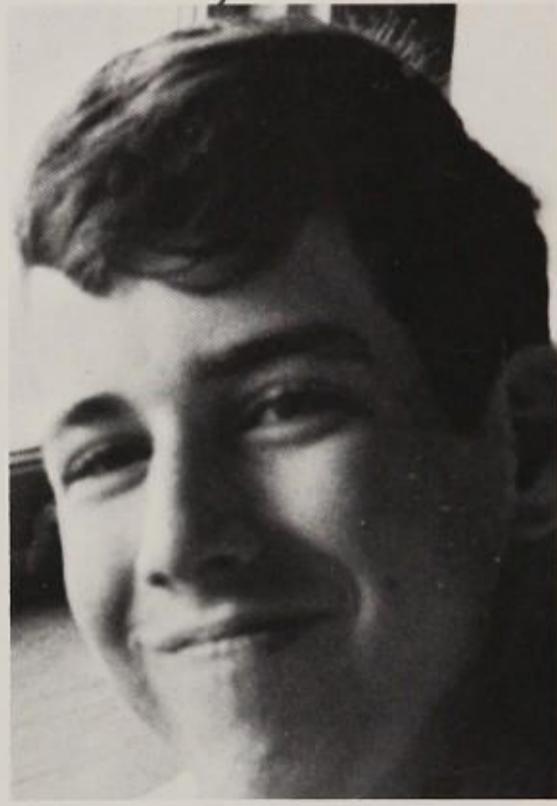

Now listen you guys, I'm still the head cheese around here, see?

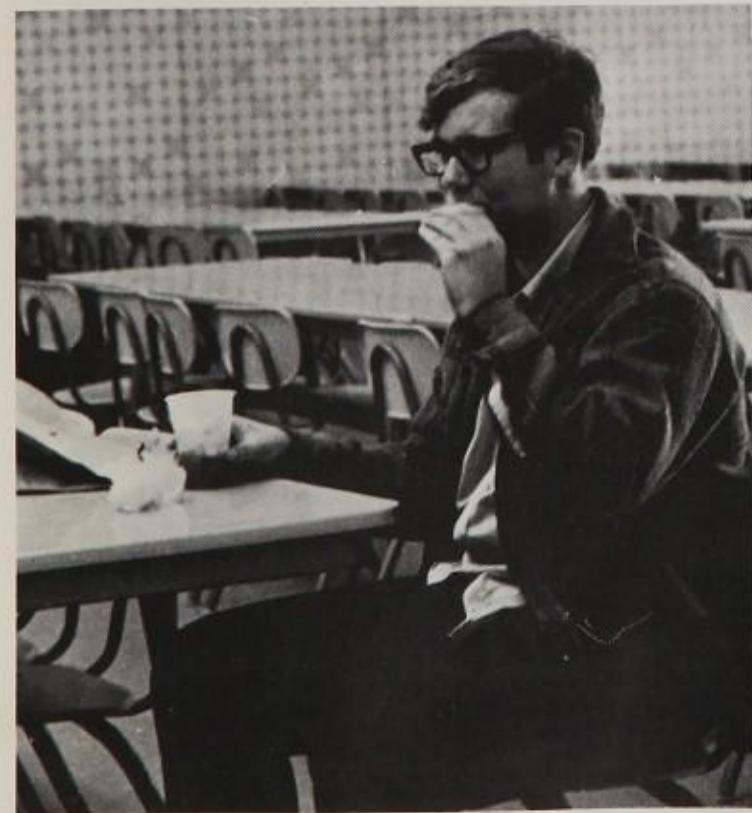

He won't be able to walk for a week!

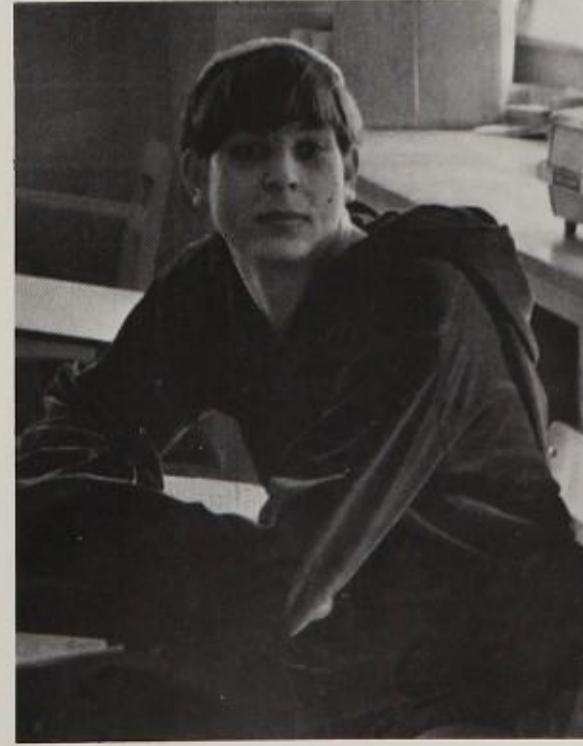

Just one more mistake and I'll never let him use the car again!

I used Brand-X and got 40% fewer teeth!

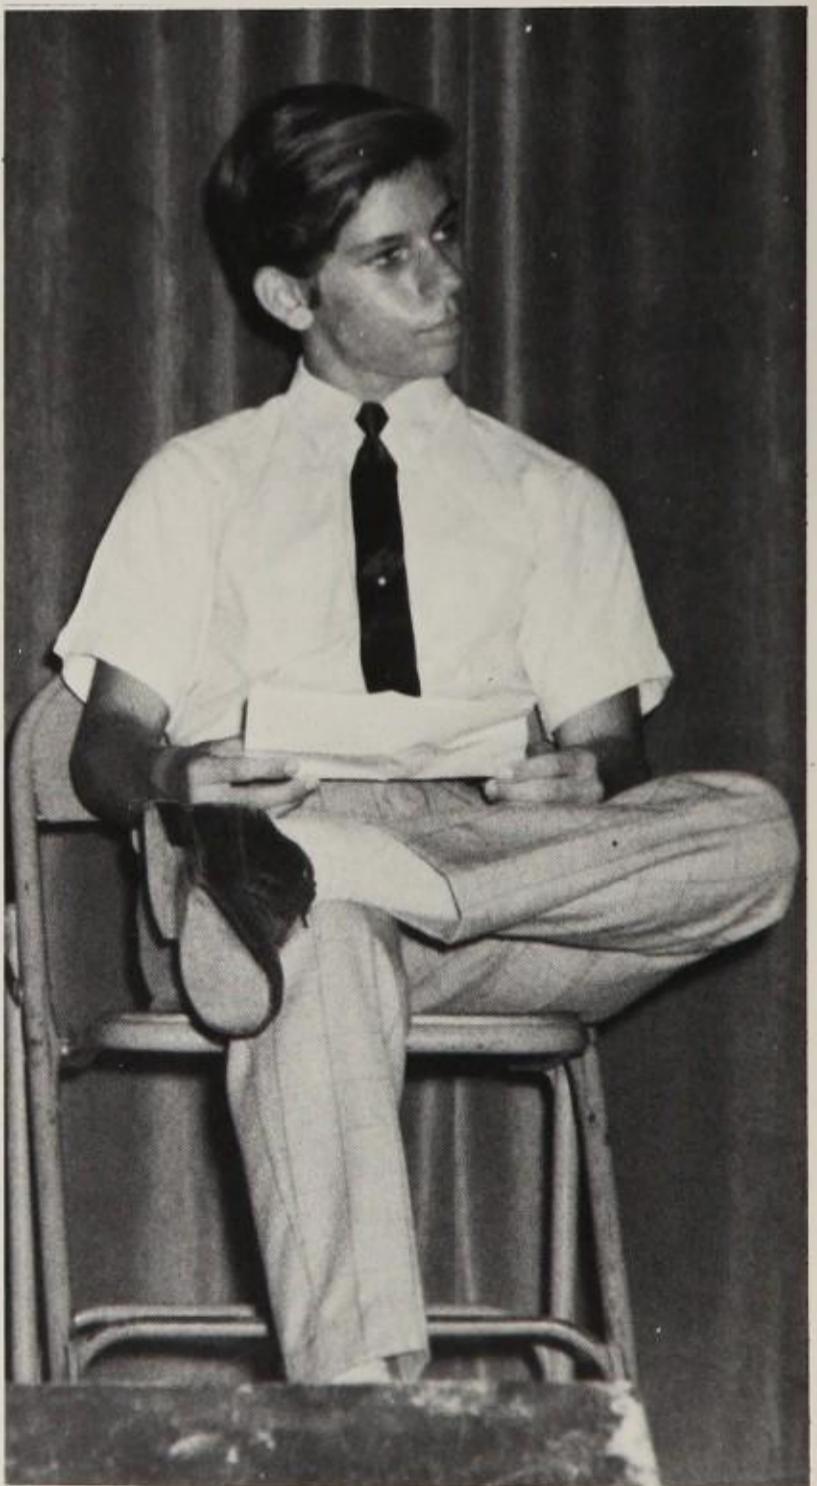

Ugh! Ham, cheese, tomato, onions, and peanut butter!

Easy Henry!

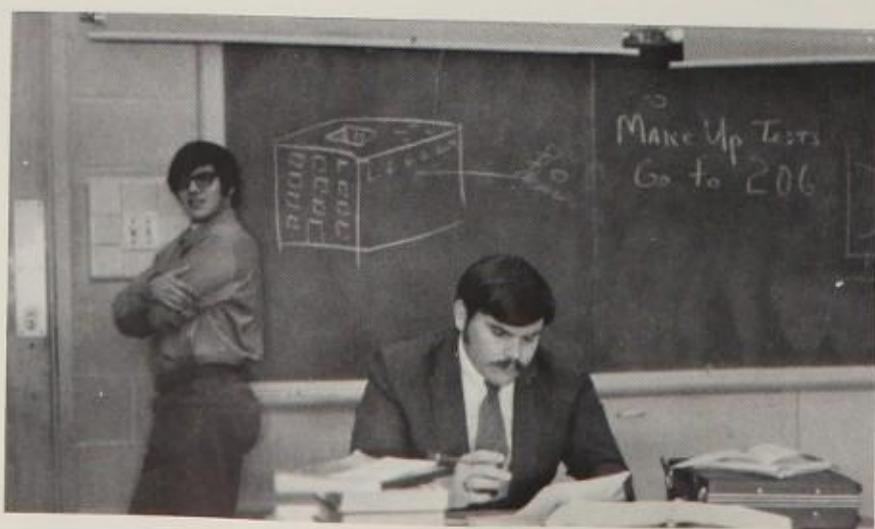

Now this is what I call common sense!?

They'll teach anything just to keep you busy.

I can't stand it anymore!

All I said was, "Mr. Hardaway, that mustache has got to go."

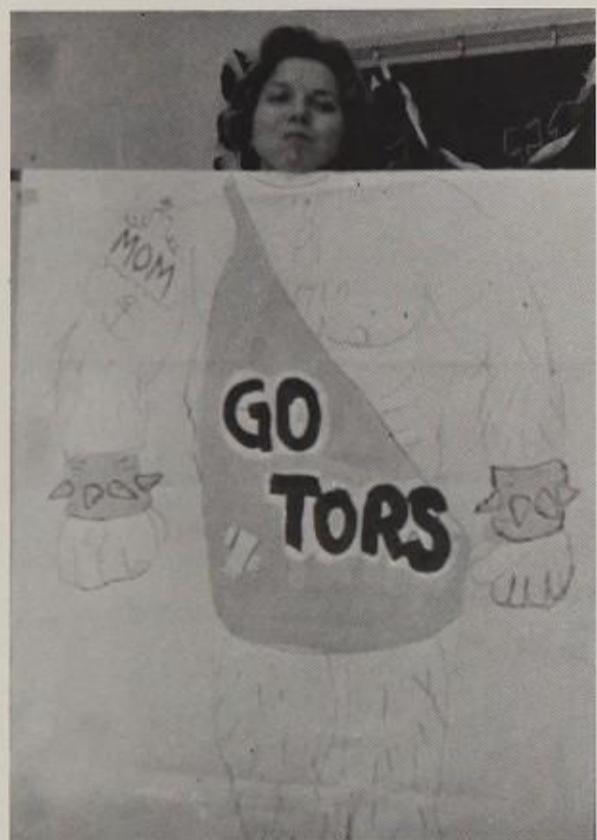

I'm sorry I had to, but they made me do it!

It may help you, but I really don't know.

BURP!!!

I'm really bigger than this, but not as hairy!

I ought to spit in your eye for throwin' that pie!

Tors Bounce Miller 13-6

The Tors played a fine second half to come from a 6 point deficit. The Tors moved the ball to the Buccaneer 21 yard line during the first half of play, but turned over the ball on a fumble. David Anderson sparked the Tors early in the second half when he ran back a fumble to the Corpus 2 yard line. Kenneth Pope smashed through to tie the Bucs 6-6. Robert Cunningham kicked the Tors to a 7-6 lead for all the margin they needed. Ronnie Ward returned an intercepted pass to the Corpus 11 in the fourth quarter of play. On a fourth down situation, Pope tossed a halfback pass to Ward for the 13 point total.

Tors Bite Bulldogs

Kenneth Pope shown brilliantly pulling through with 91, 19 eight and one yard runs all for TD's. Early in the game, Pope ran from the Bulldog eight yard line for the first tally of the tilt. Cunningham kicked over the 7th point. Cunningham and Pope did all of Ball's scoring but the defense also turned in a fine performance in blanking the Bulldog offense. In fact, the closest McAllen got to the 6 point line was during the last period of play when they reached the Tors 45 yard line. The Tors now began to gel into a championship ball club.

Right: Pope sweeps end for second Ball touch-down.

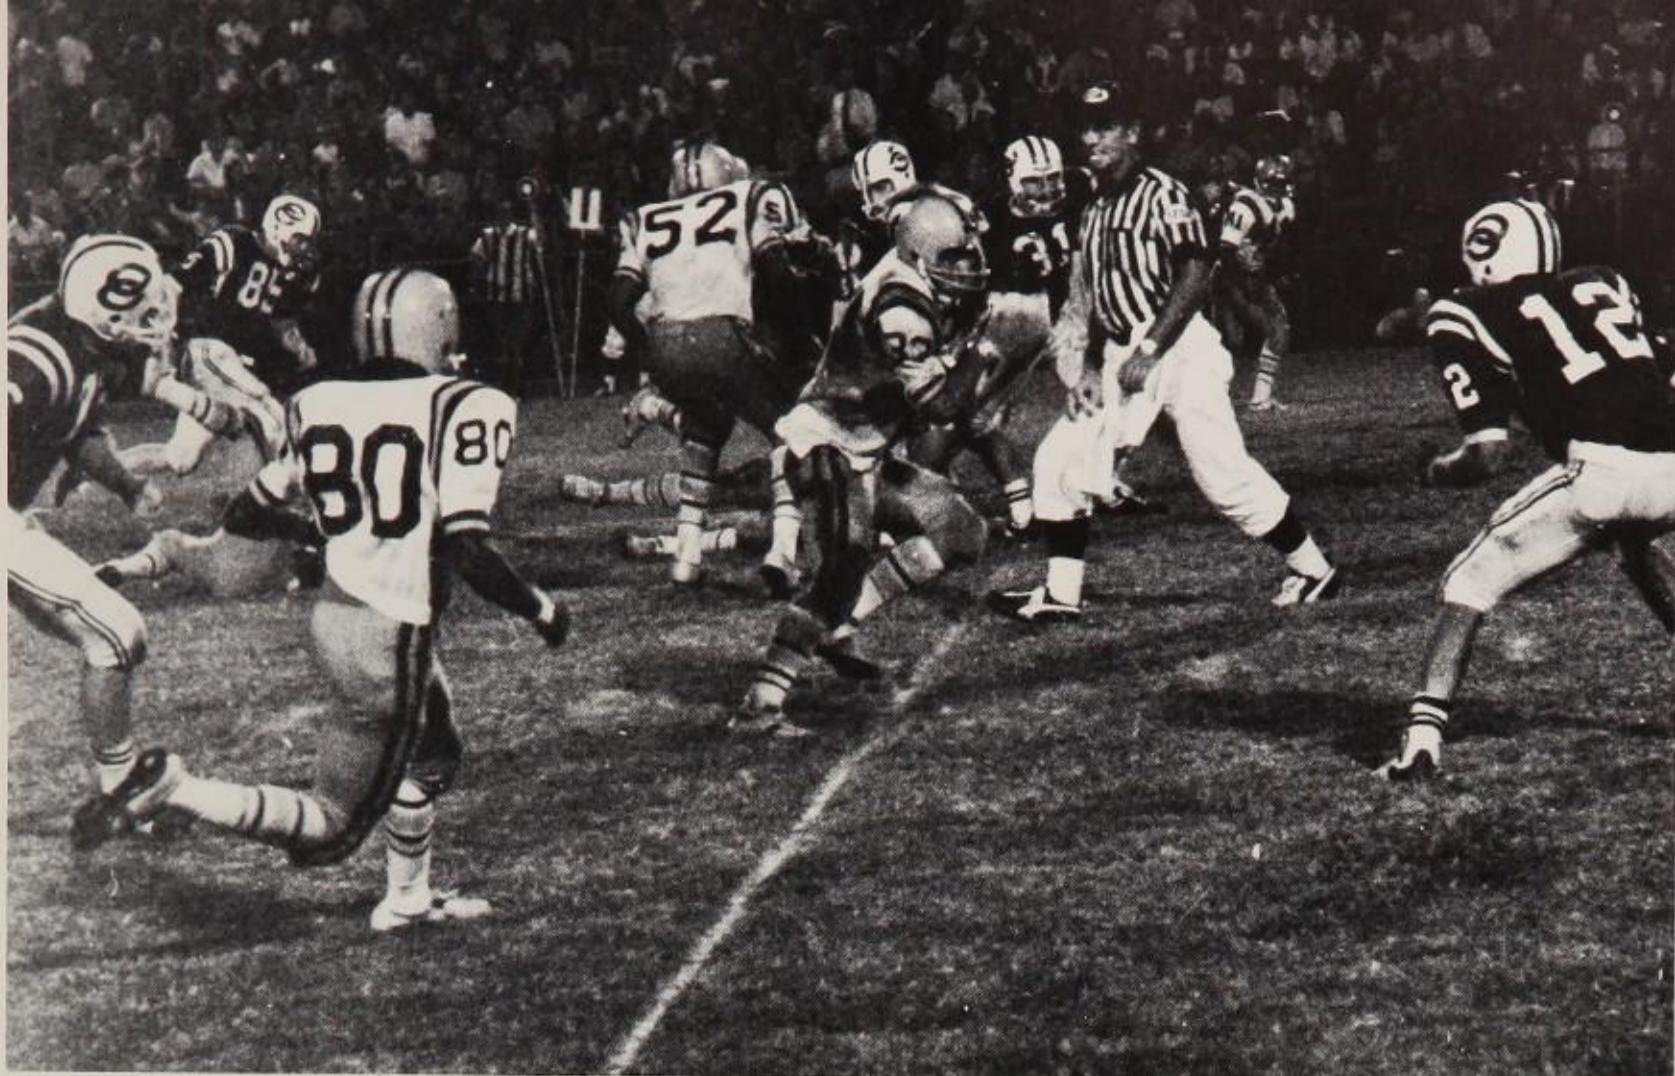

Below: Abe Holloway picks up another Tor TD for a 35-0 lead.

Tors Wrestle Bears 50-0

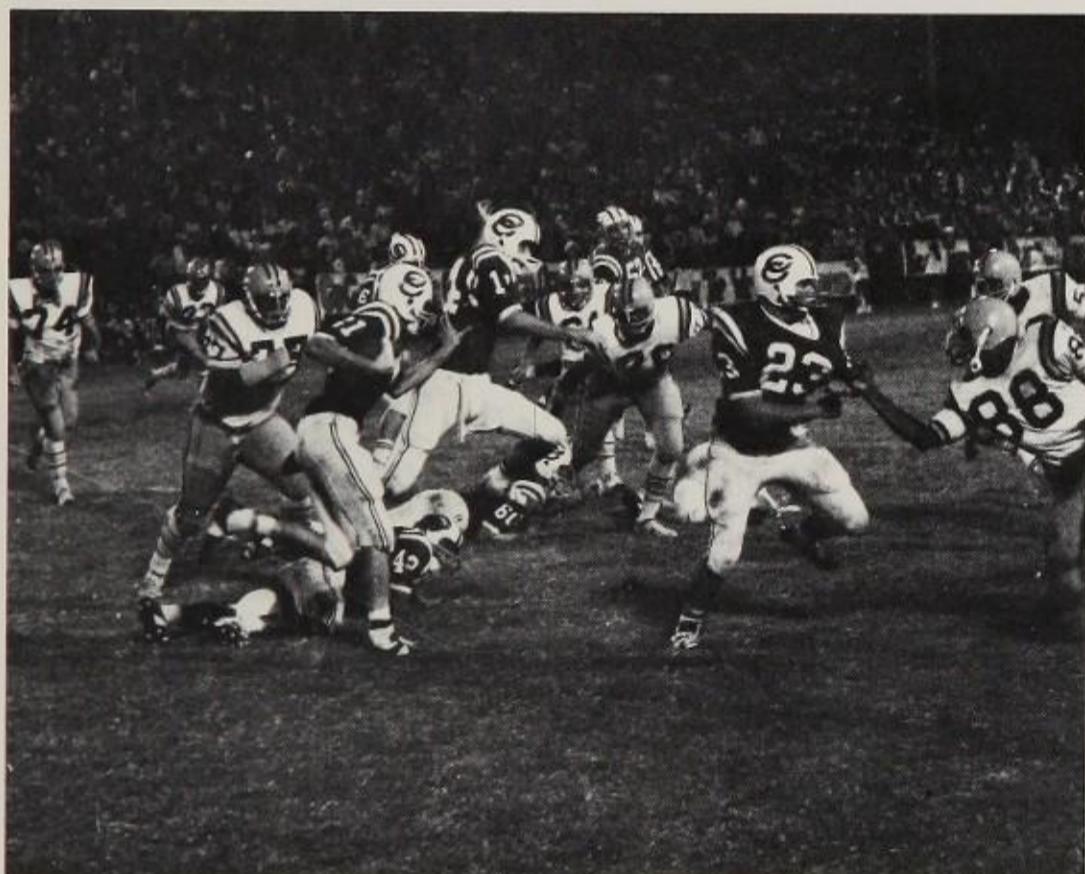

The Tornadoes lifted their hopes for another championship season when they shut out the Bears, 50-0. A 51 yard pass from QB Jackson to Ronnie Ward accommodated the Tors for the First Score. Jackson went over from the one yard line to put up 6 more points on the scoreboard. Kenneth Pope ran in for another TD and Jackson converted to Ward to put the Tors out front 20-0. Mike Denke later scored on a Bear fumble. A pass from Borrego to Emile Henry up-graded the score 28-0. Then Holloway scored from the five yard line and Cunningham upped the score 35-0. Bolden, Holloway, and Cunningham combined in a series of scorers to bring about the 50-0 finale.

Tors Drain the Creek 13-0

The Wildcats put up a fierce battle but fell 13 points short in the long run. This was the third shut out in four games for the Tornado defense. Ronnie Ward intercepted a Wildcat pass play to give Jackson enough room to score on a keeper for the only score that the Tors needed for the victory. Benefield set up the last tally when he recovered a fumble on the Wildcat 20 yard line. Jackson scored from the Creek's 5 yard line and Cunningham finished the scoring by kicking the point after.

Tors Down Stings

The mighty Tornado defense finally allowed for the first score against them when the Stings worked for seven points. The 17-7 win set the championship deep in the eyes of the Tors since the Stings were top contenders for the crown. The Tors plunged forward for 65 yards in 11 plays to put points on their side. Jackson scored the first T.D. to deadlock the game 7-7. Then came the big third quarter with the Tors pulling out front 13-7. Jackson scored from the Texas City two-yard line. The PAT by Cunningham was good giving the Tors a seven point margin. Cunningham added three more points with a field goal in the fourth quarter. The Tors were now halfway to a perfect season.

Above: Tiger defense downs Holloway. Right: Emile Henry is caused to fumble on punt return. Below: Ward fakes Tiger defenders on sweep.

Tors Cage Tigers 21-10

The third consecutive district win of the season came in the sixth game when the championship hungry Tors slipped passed tough LaMarque 21-10. Early in the game the Tors ran the ball to the LaMarque six. From there, Kerry Jackson scored with 8:46 left to play in the first period Cunningham converted for the seventh point. Then the Tigers rallied for 10 points. Ball then covered 68 yards in eight plays. From the six, Jackson was able to put the Tors out front 13-10. Cunningham made the 14-10 margin available. Late in the second quarter Jackson and Cunningham combined to legalize the score 21-10.

Tors Enjoy Ricebirds 61-0

Ball High enjoyed the Ricebirds in winning their sixth consecutive game of the season against no losses. This score gave the Tors confidence in their ability to score as well as hold back a team defensively. It was more of a player's game than a spectator's game in that every player on the team saw action during the offensive parade. Ball High had an unbelievable 498 yards rushing and 28 first downs. The Tor defense allowed the Ricebirds to move but for 21 yards on the ground and 70 in the air.

Above: Tornado defenders engulf El Campo sprinter to halt any extra yardage.

Tors Fall to Ships

Highly ranked Brazosport hit the Tors hard for a 14-10 victory. The first defeat of the season darkened the eyes of the Tors as they were hoping for a perfect 10-0 record. The loss also threw the Tors into a three tie for first place with Bay City and Texas City. The Tors scored early when a short punt gave them the ball on the Shipper's 31. Greg Urquiaga ran the ball for the first score of the game. The score was 7-0 after Cunningham's extra pointer. Kerry Jackson was next on the scoring roster when he kicked a 34 yard field goal. The 10-0 lead was broken when the Exporters rallied for two TD's and two extra points.

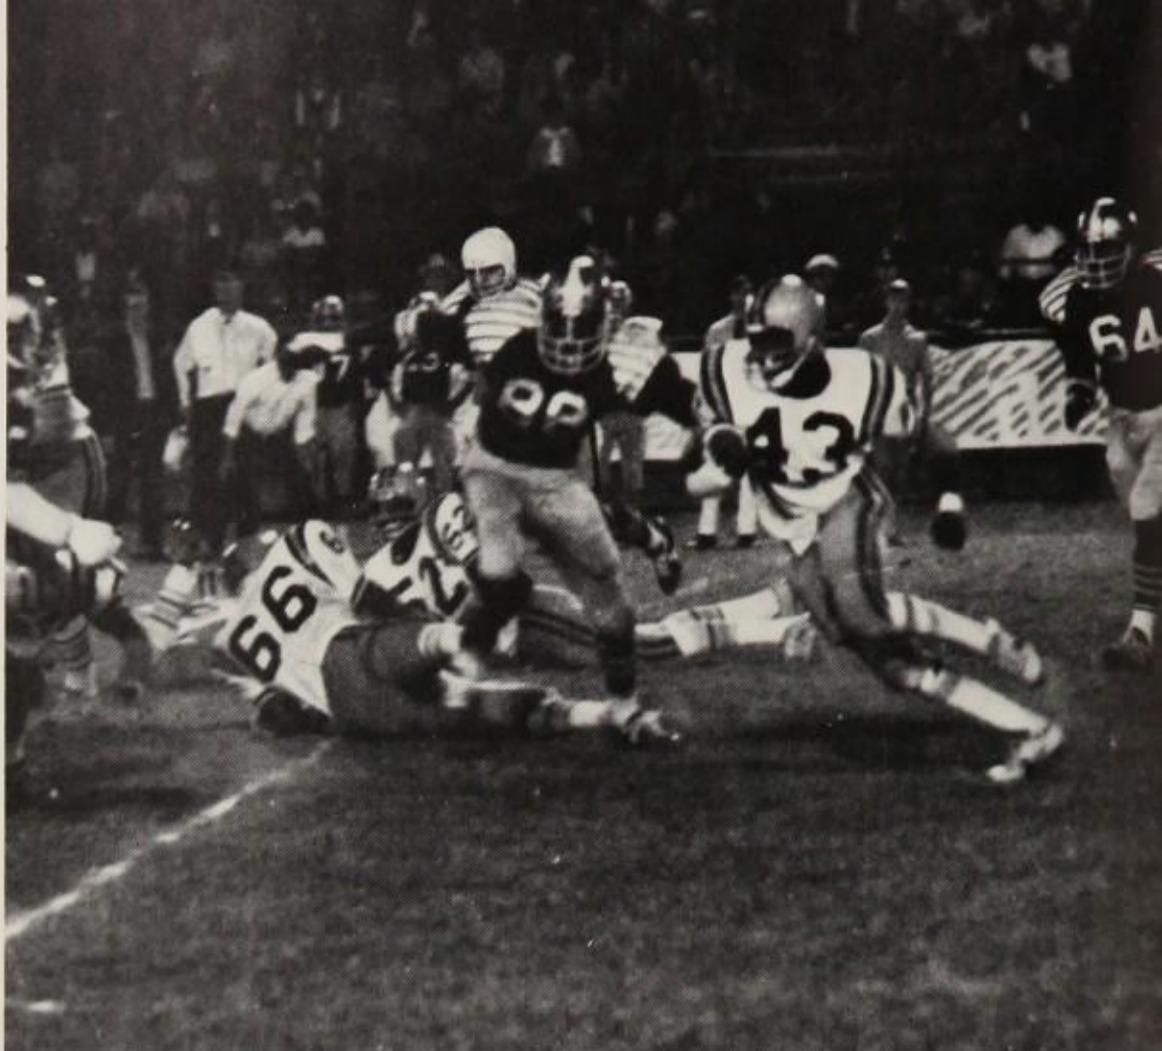

Greg Urquiaga is shown, in a three shot sequence, scoring the only Tor touchdown in the battle with Brazosport.

Above: El Campo quarterback seeks daylight around left end, but Tornado defenders cut the light short.

Tors Embarrass Mustangs 40-6

The Tors had to jump back into the winner's column after the loss to Brazosport. The jump turned into a 40-6 "bound" over Lamar Consolidated. Jackson took to the air in the offensive attack in throwing four TD passes in one half of play to Ronnie Ward. After the first Jackson to Ward score, Eugene Thomas intercepted a Lamar pass and sprinted 80 yards for the score, Jackson put the score at 13-0 with the PAT. On a 79 yard Jackson to Ward pass play, the score was hiked up to 19-0. Clarence Thomas scored the next TD on a pass from Jackson. Mike Denke set the offensive up for the next TD when he recovered a Mustang fumble. A following pass play from Jackson to Ward put the Tors out front 34-0. Freddie Borrego gave Ward his fourth TD pass of the night in the 3rd quarter of play to wrap up the scoring for the game.

Above: Holloway powers around left end, gaining good ground yardage. *Bottom left:* Tor defenders shut down the Mustangs to a mere six points. *Below:* Cunningham and another Tor defender spoil Mustang pass play.

Tors Scratch

Black Cats 35-0

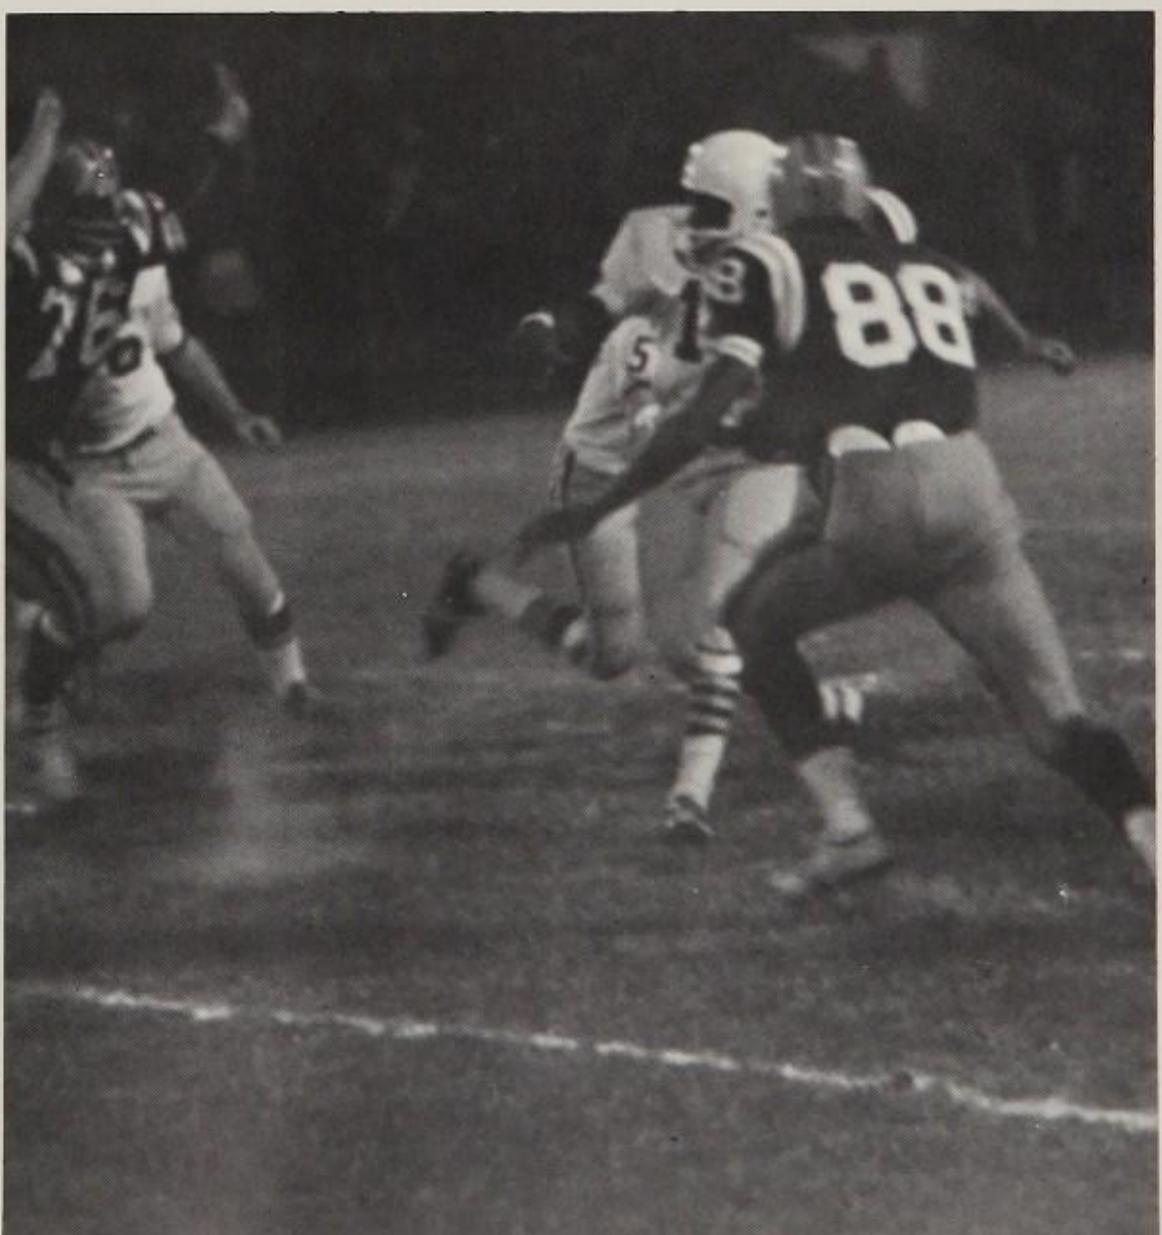

In their last district tilt, the Tors picked up their fifth shut-out of the season as well as the District 24 4-A championship. The crown was held by the Tors and the Texas City Stings but Ball was named the victors, having defeated the Stingarees earlier in the season 17-7. The game started off rather sluggishly for the Tors, but they soon pulled through with 10 points in the second quarter. In the 3rd quarter Emile Henry set up the field goal on a 59 yard pass play from Jackson. Cunningham's kick was good for the 13th point. Charles Campbell recovered a Bay City fumble to set up another Ball touchdown. Ward ran 77 yards on the following play for the score. In the final quarter, Jackson hit Ward and Henry for touchdowns and Cunningham converted. The last score was made when the reserves marched down the field 74 yards for the touchdown.

Above: A typical example of the Tomado offense as Holloway tries for first down.

Above: Streiff and Ward cause a Black Cat fumble. *Right:* Cunningham and Campbell await Bay City quarterback.

Tors Goose Ganders 19-7

Ball High's second bi-district title came as the Baytown Lee Ganders fell 12 points short of the Tornadoes. The Tors gained a place in the regional play-offs this win. Ball reserved a 13-0 lead at half time. The Ganders came back with a score in the 3rd period to put up a threat. Ward's spectacular 79 yard run in the final period put the Tors out of reach of the ever trying Ganders. Abraham Holloway worked for 110 yards in 24 carries to keep the 12,000 spectators interested. The first Tor score came on a five yard pass from Jackson to Ward Cunningham converted to give Ball a 7-0 lead. Less than three minutes later, Jackson threw a 62 yard bomb to Henry to give the Tors a 13-0 lead.

Above: Bobby Streiff is assisted to down Gander.

Panthers Paw By Tors

Beaumont Hebert took every advantage seriously to seesaw past the Tornadoes 19-18 in the regional playoffs. The Tors out ran the Panthers 111-63 yards but quarterback Curtis Ceasar passed Beaumont to their victory by moving 258 yards in the air, contrasted by the Tors' 117 yards. Kerry Jackson scored the first Ball TD in the opening period of play. David Anderson recovered a fumble in the Panther end zone to raise the score to 12-7 at the half. The final score for Ball came when Jackson and Ronnie Ward put together a 68 yard pass in the 4th quarter. The 18 points fell only one short of the Panthers, but the Tors had created many new records in the pathway to their regional game.

Above: A typical example of the hard fought game that both squads showed on the line. *Below:* Kerry Jackson heads out for right sideline and good yardage.

The 1969 Whirlwinds posted a 4-3 record for their season. The future Tornadoes defeated La Marque, Santa Fe, and Clear Creek. They also found their scores too small to win over Clear Creek twice, La Marque once, and Texas City once. Practice will definitely form a strong team for 1970-1971. Although there will be restrictions on next season's games, a good record can still be obtained by the Tors.

Left to right: Bob Cowan, Ronnie Rittenhouse, Bo Quiroga, Kerry Jackson, Larry Felder, Barry Davis, Adrian Devine, Robert Cunningham, Robert Head, Roy Holmes, Ricky Grunden, Coach George Hatch.

The gallant Tor Swimming team put up a good fight to defend their title of District 24-4A Champions, but a new ruling limiting each member to only two events hindered them greatly. The Tor team could manage only to beat the formidable Texas City Stingarees for fifth place in district competition. For a consolation, they are happy to know that team member Charlie Beeman will be joining with the swimming team at the University of Texas at Arlington.

Although this was the first year for Ball High to have a Cross Country team the team made a great impression on other teams. Going into the district meet, the Tors had won 9 trophies, 3 cups, 1 plaque and 3 medals. In district they placed 2nd to Clear Creek, the defending state champions, missing 1st by one point. TENNIS

TENNIS is the most wide-spread sport in the world and is up-and-coming in the U.S. and in Galveston. The Ball High team representation has quadrupled itself in the last 2 years. Tennis is no longer a "Spring" or "minor" sport at Ball High. The team, after try-outs in the first week of school, begins league match play against other teams in the Houston-Galveston and surrounding area for the Fall. The Spring is made up with dual practice matches and tournaments where 30 to 50 schools are represented at each tournament. Ball High sponsors the Oleander Tournament in March, which is one of Texas' oldest and most widely known tournaments. The teams' hard work resulted in a two-year District winner and four players in District quarter-finals. The lettermen are Curtis Donihoo (3 years), Mike Elco (2), David Gonzales (2), Larry York (1), George Blue (1), Rosie Cazares (1), and Marie Eliaz (2), and Lawrence Weiser.

DETERMINATION

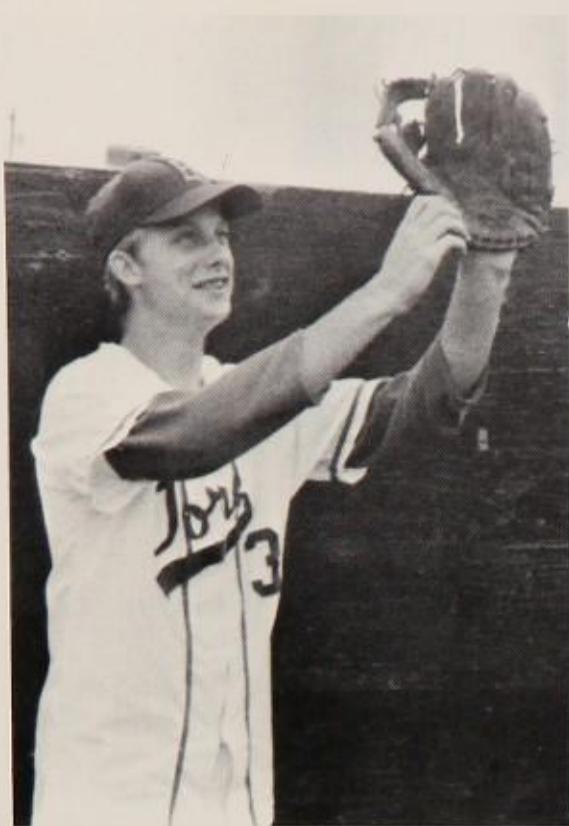

Above: Switch-hitting junior Sammy Monteau showed power from both sides of the plate. Sammy tagged a triple off of Ramie Ramirez in the zone play off tilt with Texas City.

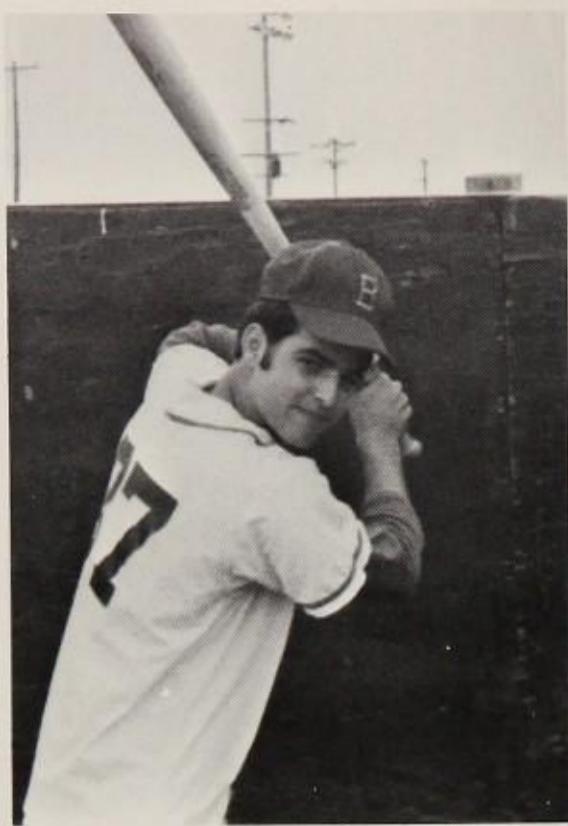

Below right: Pre-game batting helps to boost the ego of the hitters as well as prepare them for the real tilt.

Below left: Eugene Thomas proved to be trouble on infield grounders.

BoBo Quiroga

Below: Bo Quiroga helped his average with a base hit off Ramie Ramirez in the zone play offs.

One thing can be truly stated about the 1970 Tornado baseball team – they had the desire to win. This desire brought them a fine season. Although the team consisted of young players there was plenty of potential. Therefore, next year should prove to be tops for Tor baseballers. Coach Choate, in his first year as a high school instructor, taught his players many of the things he had picked up in his baseball experiences. The Tors forced the battle for the zone championship into a four way tie by defeating La Marque, the defending district champions. A battle for the title against Clear Creek was a good start and a fine experience for the rookie players who will be returning in the following years. There is sure to be plenty of action on the diamond next year with most all of the Tor baseballers returning.
